Important News & Reminders

Welcome back, Generals! We hope you had a wonderful winter break and are ready to begin a new semester. Students will receive a new schedule on Tuesday morning with some changes to connections and ELT periods.

HMS Schedule Change Policy:

Heritage Middle School will approve schedule changes for the following reasons:

1. A doctor's note indicating a medical condition prohibiting adequate participation.
2. In an effort to balance class sizes or fill new classes.
3. If academic interventions are determined to be in the best interest of the student.
